\_\_\_\_\_ Patients and their immediate family members agree to **transition a visit from on site to telehealth** should any risk factors for Covid 19 be present at time of visit.

\_\_\_\_\_ Patients and their immediate family members acknowledge the need for **48 HOURS notice to cancel or reschedule an appointment**, for reasons unrelated to Covid 19 risk or other illness. Scheduling is very complex at this. Time and in order to value therapists’ time and allow families optimal scheduling options, we all must adhere to the 48 hours notice policy, expect in cases of unforeseen circumstances related to Covid 19 exposures or any illnesses.

All Boston Sensory Solutions staff working onsite agree to the same precautionary measures. Boston Sensory Solutions clinical manager or director will notify patients and their immediate family members should staff encounter the situations described above.
