COVID 19 Onsite Patient Care Agreement, 4-15-2021

Boston Sensory Solutions is dedicated to the health and safety of its staff, patients, and families. In order to effectively work together in person at this time of Covid-19 prevalence, patients and families agree to the following precautions. Please initial each precaution as your indication of agreement to follow these precautions. This is in addition to all previously signed consents.

_____ I have read and agree to adhere to the COVID 19 Onsite Patient Care Policy, 4-15-2021.

_____ Patients and their immediate family members will adhere to social distancing guidelines, wearing of masks/ face coverings, and hand washing recommended by the CDC and Commonwealth of Massachusetts at all times, including in their activities outside of Boston Sensory Solutions.

_____ Patients and their immediate family members will avoid out of state travel and notify Boston Sensory Solutions clinical manager or director (Nicole or Bridget) of travel beyond the Commonwealth of Massachusetts for 10 days before any onsite visit. Patients must transition visit to telehealth for 10 days after out of state travel or until a PCR test taken 5 days after return to MA shows negative results.

_____ Patients and their immediate family members will notify Boston Sensory Solutions clinical manager or director (Nicole or Bridget) if anyone in their household is exhibiting any signs of illness (elevated temperature, congestion, sneezing, coughing, difficulty breathing, vomiting, GI distress, sore throat, headache, body aches) one day before, or on, the day of an onsite visit.

_____ Patients and their immediate family members will notify Boston Sensory Solutions clinical manager or director (Nicole or Bridget) if anyone in their household has come into contact with anyone who reports a confirmed or suspected positive case of Covid19 within the last 10 days before an onsite visit.

_____ Patients and their immediate family members will notify Boston Sensory Solutions clinical manager or director (Nicole or Bridget) if any member of their household is confirmed or suspected positive with Covid19 at any time within 14 days of before or after their onsite visit.

_____ One parent or caregiver will accompany each child for the duration of the therapy session with one therapist in one treatment room. No additional family members are permitted in clinic at this time.

_____ Patients and their immediate family members will adhere to social distancing recommendations (6 feet between non-related individuals) before, during, and after service delivery, as appropriate and safe.

_____ Patients and their immediate family members will sanitize hands immediately upon entry to the clinic, as well as immediately after any instance of using the restroom, touching face, or engaging in coughing/ sneezing/ nose blowing.

All Boston Sensory Solutions staff working onsite agree to the same precautionary measures. Boston Sensory Solutions clinical manager or director will notify patients and their immediate family members should staff encounter the situations described above.
